The ESFA transmit the main monthly provider payments on the 15th working day, remittances is sent on the 17th working day and payment should be received on the 18th working day of each month. Based on this the Full Subcontractor will be sent a PFR/Funding Report within 5 days of Davies Learning Solutions receiving payment. Payment will then be made within 10 working days of payment.

For any payments to be made to any Subcontractor, the Subcontractor must conform to the terms and references within the contract and provide the required paperwork, data and information as requested by Davies Learning Solutions.

## **Contract**

All Subcontractors are required to agree and sign a contract between both parties prior to delivery of any provision.

- Changes in the management fee dependent on the level of support required
- Changes to the volumes of outputs and funding
- Changes to the range and scope of provision delivered by the Subcontractor

In the event that we need to withdraw from a subcontract arrangement; a Subcontractor withdraws from the arrangement; or a Subcontractor goes into liquidation or administration, Davies Learning Solutions will either pass the learners to another sub-contractor or deliver the learning directly to ensure they finish their learning programmes or components of the programme.
